THE LEGEND OF APACHE GOLD

2 AM. In the saloon bar of an old west town known as "SKINTSVILLE"

You, LUKE WARME, sip on your tenth and last shot of liquor. No money and down on your luck, you wonder where your next drink is going to come from.

Among the smokey, noisy atmosphere, you just manage to pick out the voices of some old timers sitting at a nearby table:

"Yep Jake, The legend goes that them pesky indians bury their gold in the grave of their chief. I hear that one of the APACHE chiefs has just kicked the bean-can. Only trouble is there are some mighty strange powers at work in their territory . . ."

Gold . . . GOLD! That's music to my ears Mister! Strange powers or not I'm gonna git ma hands on it!

PLAYING THE ADVENTURE

To move around and perform any actions in the game, you must enter instructions in the form of sentences.

Simple commands:

"NORTH" moves you north: "EXAMINE THE CANOE" gives you a closer look at the canoe.

More complex commands:

"ENTER THE WAGON AND FEED THE HORSE" or "GO NORTH AND GO EAST THEN CUT THE ROPE AND TAKE IT"

The sentences may be connected together with "AND" or "THEN" or a COMMA.

The word "IT" will be interpreted as the last noun you typed in. ie: in the example above – the ROPE.

Don't forget to TALK to some of the characters you meet!

If you want to switch off the pictures type "WORDS." To switch them back on type "PICTURES."

If you forget where you are or what you have TAKEN type "LOOK" and "INVENTORY" respectively.
